

Windemuller provides advanced technical and design services throughout Michigan and beyond.

Established in 1954 as an electrical contractor, our family-owned company has evolved over the years to offer a diverse range of services including automation, communications and IT, electrical services, outdoor utilities, and renewable energy. From security systems for the government, instrumentation and automated sensors for environmental cleanups, and responding to emergencies on an industrial site, we are responsive and innovative.

At its heart, Windemuller is about our people and the people we serve. We are more than 200 individuals strong and serve thousands of customers of all sizes within industrial, government, municipal, and commercial entities.

INDUSTRIAL GOVERNMENT MUNICIPAL COMMERCIAL

ELECTRICAL
